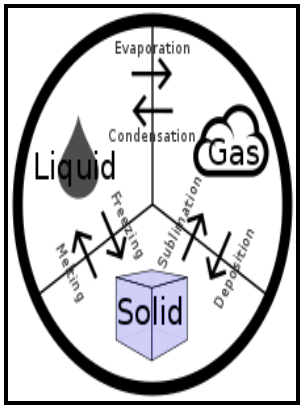
Thermodynamic, electrical, physical, and compositional properties of seeded coal combustion products.

For sale by the Supt. of Docs., U.S. Govt. Print. Off. - From coal to biomass gasification: Comparison of thermodynamic efficiency



Description: -
-
Magnetohydrodynamic generators.
Plasma (Ionized gases) -- Tables.
Coal -- Tables.Thermodynamic, electrical, physical, and compositional properties of seeded coal combustion products.
-Thermodynamic, electrical, physical, and compositional properties of seeded coal combustion products.
Notes: Bibliography: p. 16.
This edition was published in 1970
