I would also like to extend thanks on behalf of our leader and caucus for the information provided to us on the latest flood developments. Cochrane, and who acknowledge Henry Prince as their Chief, were prompt in responding by sending 50 Indians.

**Geological Services Unit (GSU)**

This feature is not typical for felsic rocks that may be considered as the main source of U and Na. However, legal title and certain possessory interests remain outstanding and are the subject of on-going applications, negotiations or discussions, which Barrick expects will be successfully concluded in the ordinary course.

**Global Volcanism Program**

February 1992 BGVN 17:02 Continued carbonatite lava production Although no lava emission was observed during crater visits, the presence of new lava flows indicated continued activity through December.
