### Harris William Cornwallis, First Edition

After conferring with Dr Andrew Smith, the African naturalist, then just returned from the interior, Harris and his friend started by ox-wagon from Algoa Bay, by way of Somerset and the Orange River, and travelled in a north-easterly direction until they reached the regions of the formidable Matabele Ndebele chief Mzilikaze.

### Ninth German Inner Africa Research Expedition

A satirical vein ran through his composition. A basic calculation shows that, even with rhino farming, there would not be enough rhino horn to sustain a legitimised market.

### Past and present collide in South African art show at British Museum

He speculated that the tools were made using the hearth, which was invented circa 3000 BC. He is a graduate of the Department of History, Liaoning University, and has published on the stele of Liaoning and the restoration of Zhaoyang Pagoda and has compiled publications on Liaoning archaeology.

### Wendy A Gers

Paris: Arts et métiers graphiques. The rock-drawings of southern Upper Egypt.

### Running Horned Woman, Tassili n'Ajjer, Algeria

The insatiable demand from Vietnam and China has resulted in the worst 4 years on record for rhinos. He has published more than 135 articles and book reviews and has written and edited numerous books. This is but a meagre sketch of

## **Wendy A Gers**

A specialist in Italian archaeology, Lyons has published on the site of Morgantina in Sicily, on ancient gender and sexuality, and on the archaeology of colonialism. The remaining material and the written records are held by the in Frankfurt, though in depth research on them has not yet been carried out.

## **Representation and knowledge in the prehistoric rock art of Africa**

The following cluster of paintings depicts hunting, specifically antelope, and even a hippo! He is a member of the editorial board of the annual publication of the State Administration on significant archaeological discoveries in China.

## **300 Chauvet, altimira ideas**

He bagged eland and was attacked by lion in the region. Jacob Hendrik Pierneef 1886 — 1957 , Tree in the Bushveld, Oil on canvas, 1930 © University of Pretoria.
