

# Proceedings of the Sixth International Conference on Raman Spectroscopy, Bangalore, India, 4-9 September 1978

Heyden - CV

Description: -

- Railroad stations -- England.

North Eastern Railway.

Raman spectroscopy -- Congresses.Proceedings of the Sixth International Conference on Raman Spectroscopy, Bangalore, India, 4-9 September 1978

-Proceedings of the Sixth International Conference on Raman Spectroscopy, Bangalore, India, 4-9 September 1978

Notes: Includes bibliographical references and indexes.

This edition was published in 1978

Filesize: 19.74 MB
