## More 'super

In 1959, socialite theorized as well the existence of many mutants unaware of their powers or keeping them hidden. This could be a sort of switch on the House of M tale that ends with Wanda breaking her reality and waking up the mutant gene in people all around the world, which would set into motion the events of the MCU for the next decade.

## THEORY: Wanda is creating mutants (spoilers for episode 6) : WANDA VISION

Many mutants died as a result of exposure to the mists, and it also prevented new mutants from manifesting. There are lots of virus variants out there that have come and gone.

## Mutant History

En Sabah Nur having sent a cadre of killers after the Traveler, he responded the call months after, to find only D'narda alive, the Skornm awakened and having fed upon the life force of the townspeople and priests of Karanada, and the Council of Nirthia. My goal was to find the best actor who, because they've done so little work, was at least the closest to kind of what I saw in my head for the character.

## House of M: Will WandaVision Introduce Mutants to the MCU?

Sunspot previously appeared in , portrayed by , who was not confirmed to be returning for the new film.
