### South African Collectors Society Publications

In 1826, crowds poured into the Egyptian Hall in Piccadilly to gaze at a spoil of war: a Burmese imperial carriage, nearly 14ft long, its spokes silvered, its body clothed in gilt and its seven-tiers studded with 20,000 precious stones. In South Africa, indentured labourers were brought in to work on plantations in , in part because sugarcane farming and sugar had its origins in India, the labor did not need to be trained, and Indian Hindus were suffering from waves of famines and extreme poverty while British colonial empire was busy force converting India's fertile farms from the production of food to the production of cash crops such as cotton for British mills, tobacco for Europeans, poppy and opium for China.

### Small states, China and the South China Sea : Handbook on the Politics of Small States

Also a coloured image of each cancel used on piece is shown.

### South African Collectors Society Publications

The VIIRS on acquired the second image of southern Africa on January 4, 2017. The book follows the evolution of the postal system of the Cape Colony from 1806, with other territories being added as they came into existence and established their own postal systems.

### Waves Across the South by Sujit Sivasundaram review

This further decreased to 41. The range of shades found on the various printings of the Union definitives that were so meticulously listed in the 1952 UHB were no longer apparent as Hagger simply lumped everything together. The first ships carrying indentured Hindu labourers for plantations in British Empire left India in 1836.

### The South African Wine Industry

This temple was damaged by floods in 1905, but its and relocatable parts were saved before the floods and relocated nearby to Second River temple, one that has remained in use for over 100 years. This catalogue is only available direct from the Study Group and can also be paid through PayPal. Acknowledging the historical legacies behind these states, the chapters unpack the costs and benefits of different political models for small states.
