### Welford, the Hemphow Hills, and the Grand Union Canal

Indeed approaching the main bridge that crosses over the waterway leading towards the station you come across a series of buildings and developments that would look almost in place in Central London with a modernity not normally associated with the quiet rural towns such as Berkhamsted.

### Walking the Grand Union Canal: Tring to Berkhamsted

The Grand Union today Today, the Grand Union Canal is alive with pleasure boats, , , and day trippers.

### The Grand Union Canal Walk

The final approach to Berkhamsted, itself a charming and elegant community and town is somewhat bittersweet with the more industrial impact and legacy of the canal network and subsequent development alongside the water way far more evident but to a degree or good fortune obscured by nature to some extent. After a few misty days where the sun almost shone, before hiding back behind the clouds, the morning of this walk was just about perfect.

### The Grand Union Canal Walk

From To Distance Status 1 Mile End Paddington 8. AE09 A lovely view along the canal. D25 A pagoda restaurant on the Regent's Canal between London Zoo and Camden.

### Grand Union Canal Walk

The Beeches Way continues onwards to Yiewsley but the Colne Valley Trail splits off the the right South. AI16 Looking along the Grand Union Canal. Residing in the suburban sprawl of Uxbridge you do become accustomed to acting with a degree of trepidation and wariness at those attempting to interact with you outside the social norms and boundaries.

## **A walk along the Grand Union Canal in London**

This runs from Norton Junction to Leicester and on to the River Trent. Nearby is Boston Manor, one of the ancient manors of Middlesex, the early 17th century manor house still stands in Boston Manor Park.

### **Grand Union Canal Walk**

One boatman, unable to pay his way, murdered Jack and his spirit reputedly lingers to this day. Here the Jurassic Way heads left, along the canal, and we headed right, along the road for a small time. The ambitious scheme was completed in 1937 but much of the canal remained too shallow for broad boats to pass each other, and of course broad boats could not pass in the tunnels.
