Part II Scotland And Ireland

In the account he wrote of his journey to the Rocky Mountains on horseback and by boat along the Saskatchewan River, he described some of the birds and animals he encountered. With a view to encouraging his less fortunate brethren in the study of the Scriptures, he held Bible readings in his own home, which led up to the formation of an assembly. Flom, of Stoughton, for securing for my use several Wisconsin Atlases and a copy of The Biographical Review of Dane County 1893.

Writing Up the Ancestors: June 2015

These men are the sons and son-in-law of John and Mary.

The Lancasters of Rainhill

She had not believed the tales of him being Uther's son.

William Wells Brown, 1814?

Excused from serving on assizes in 1498, being 70 years old.
