American Association of Poison Control Centers

Census of Agriculture Query the Census of Agriculture database to retrieve customized tables with Census data at the national, state and county levels as far back as 1997.

Data & Reports

Information that spans the social, economic and geographic spectrum is often not available. Annual precipitation totals ranged from 9 to more than 20 inches 229 to 508 mm below average in some of these areas. Many countries are reviewing their data protection laws, given both the dramatic increase in the prevalence and use of personal information from administrative data, and growing concerns about the data holdings of multinational social media companies.

U.S. Data and Statistics

In Wisconsin, Green Bay 133 years and Racine 118 years set new records.

Annual reports and statistics

Find the you want to search. Dry conditions D0 also developed in parts of Virginia. While the data gaps are not new, recent events in Canada and the United States have brought them to the forefront.
