United Kingdom and the United Nations

The South African Parliament, for instance, might by a majority decide upon neutrality in a major war in which England was fighting; but it could not prevent thousands of its citizens from volunteering in the British forces, or otherwise serving the Mother Country. Both countries are members of.

United Kingdom and the United Nations

Britain slashed its involvements in the after the humiliating of 1956.

Foreign relations of the United Kingdom

Acting under in 2011, the UK and other NATO countries intervened in the.

United Kingdom

In October 2002, following revelations that Irish Republicans were engaged in a spy ring in the Northern Ireland legislature, direct rule from London was reinstated.

Milestones: 1937

The included a commitment to double the number of UK military personnel contributed to UN peacekeeping operations as well as increasing the number of UK law enforcement and civilian experts on UN peace operations and in UN headquarters. In a debate on foreign policy at Ottawa, following the March 1939 crisis, Prime Minister Mackenzie King, after jumping off the fence far enough to declare that if Great Britain were the victim of aggression Canada would certainly spring to her aid, resumed his habitual attitude by reemphasizing that when the time came the effective decision would lie with the Canadian Parliament.
