LAW AS INSTITUTIONAL NORMATIVE ORDER

Certainly, it can be said that in the case of the international rule of law, just like with its domestic sibling, its ultimate beneficiaries are individuals; that states mediate between international law and people replicating in such a way the hierarchical scheme of government Waldron. Online Resources This book is also accompanied by online updates collated by the authors, helping students to stay well-informed.

law as institutional normative order

This primarily entails that norms of international law are not commonly justified by reference to institutions though this is also possible in some regimes.

law as institutional normative order

It does not distinguish ... between the rule of law and substantive justice; on the contrary it requires, as part of the ideal of law, that the rules ... capture and enforce moral rights Dworkin , p.

law as institutional normative order

It is a solid perspective, which, however, only takes one of the possible dimensions of the international rule of law. The international rule of law cannot be identified with any one national meaning of the concept... Watts , p. Thus, if we accept that the rule of law relates to the ability of a legal order to generate an acceptable and realisable claim of authority, the theory of the rule of law becomes part and parcel of the theory of authority of law.

Legal Framework: Institutional Normative Order

Our library is the biggest of these that have literally hundreds of thousands of different products represented. It follows from these various factors that international courts do not necessarily possess, vis-à-vis organs of sovereign States, the same powers which accrue to national courts in respect of the administrative, legislative and political organs of the State.

The International Rule of Law and the Idea of Normative Authority

This, again, is a matter of degree. Part III Criminal Law: A comment on personality and corporate crime, Nils Jareborg; Criminal law and civil peace, Magnus UlvAng. I first sketch out an image of the rule of law known domestically and show why it is not appropriate to transplant its theories and underlying histories directly into international law Sect.
