Macdonagh Oliver

He earned a major international reputation for his studies of early-nineteenth century government, as well as for an important book on the novels of Jane Austen. He was brother-in-law to Wolfe Tone and an old friend of Lord Edward's, whom he kept from the meeting, and so prevented his arrest.

Macdonagh Oliver

It may be that the great Minister was influenced by the King himself, to whom Fitzgibbon had already pointed out that to allow Catholics to sit in Parliament would be to violate his coronation oath. How do you know when change has happened? In the Commission Report, largely written by him, he suggested that public works such as the reclamation of waste lands should be set on foot, and further that railways should be built.

MacHale wanted the abolition rather than the commutation of tithes.

Colm Tóibín · Erasures: The Great Irish Famine · LRB 30 July 1998

In 1813 he wrote privately to chief secretary Peel offering to raise 100,000 Catholic soldiers to fight Napoleon in return for immediate Emancipation, though both before and afterwards he incautiously predicted, in public as well as in private, that Napoleon would never be beaten; for decades opponents reminded him of these predictions.
