### The English utilitarians : Stephen, Leslie, Sir, 1832

The relation of such movements to India was not merely personal and fortuitous. The plan illustrates the incapacity of an isolated clique to understand the real tone of public opinion. All action is for the sake of some end, and rules of action, it seems natural to suppose, must take their whole character and color from the end to which they are subservient.

### The English utilitarians. (1900 edition)

By 1818 the Mahr'kta power had been extinguished, and the political problem ceased to be of the first importance.

### Utilitarianism

The truths which are ultimately accepted as the first principles of a science, are really the last results of metaphysical analysis, practiced on the elementary notions with which the science is conversant; and their relation to the science is not that of foundations to an edifice, but of roots to a tree, which may perform their office equally well though they be never dug down to and exposed to light. To the number of men whom we would force into subservience, and the degree in which we would make them subservient, we can assign no limits. The Chronicle declined after 1821, owing to a change in the proprietorship.

### The English utilitarians. (1900 edition)

The landowners were being pledged to protection. Mill's Principle of Utility: A Defense of John Stuart Mill's Notorious Proof.

### God and the English Utilitarians

Mill, Memorandum of the Improvements in the Administration of India during the Last Thirty Years 1858 , cited Sir G C Rankin, Background to Indian Lcpw, pp. Sharp, pp 107 et seq 3 See note B, p 323.
