7 Lessons Learned From Man's Search for Meaning by Viktor E. Frankl (Book Review)

Raised by secular Jewish parents, he had complex and evolving spiritual thoughts. His rage at the injustices of the world he knew made him impatient with the usual logic of literary expression.

1984, by George Orwell: On Its Enduring Relevance

Saul meets with another accident on the same street, seemingly hit by the same person, Wolfgang.

The Road: Character Analysis of The Man

This is the mind-twisting experience of every black person I know. I get that perhaps some people won't be able to give credence to anyone but a white person, but isn't that a flaw of our culture? While I don't believe it is possible for anyone from one culture to fully understand the experience of people in another culture, Griffin's remarkable journey physical, emotional, and intellectual shed light of a sort that simply is not possible in any other way.

Routledge Library Editions: Aristotle: Aristotle: New Light on His Life and on Some of His Lost Works, Volume 1 : Some Novel Interpretations of the Man and His Life (Series #1) (Hardcover)

It is entirely possible that each man may have experienced happiness, but only the man of reason could have experienced the happiness of knowledge because he alone of the three possesses it, besides possessing the happiness of the other two men. The Forward by Studs Terkel is a great introduction to the book, and I recommend reading it before the Preface. They crest over a hill and look down upon roadways and a burned house, billboards that now mean nothing.
