## A Biography of James P. Cannon

Includes correspondence, notes, leaflets and reports relating to Castlemilk, Govanhill and the Gorbals.

## The Struggle Against Opportunism in the Labor Movement. For a Socialist United States

Having been recruited by former fellow syndicalist Earl Browder to be part of a labor delegation to the Soviet Union in 1921, William Z. Foster, Jack Johnstone, William F. He ran as a Socialist candidate for mayor of Oakland in 1901 and later toured the country lecturing on socialism in 1906.

## Jack London's The Iron Heel: An enduring classic

By 1908 a conflict between the industrial unionists like Vincent Saint John and the socialists like Daniel De Leon blew up. Benson multiple formats at archive.

## Chapter Forty

The stockyard organizing drive, concentrated at first among the Slavic immigrant workers, made some initial headway in organizing black workers—some 4,000-5,000 were union members by 1919. Other topics include social welfare, the struggle against racism in education, bilingual education, the neutron bomb, bourgeois futurology. But by 1922 it had become plain that the communist movement could not remain a debating society.

The party leaders were not crudely corrupted by personal benefits of the general prosperity; but they were affected indirectly by the sea of indifference around them. London hoped that the book would serve as a lesson to the working class about the importance of revolutionary

leadership in the struggle for power. This group published a monthly magazine known as The Masses which later became the Liberator and still later was changed to the New Masses.

**The struggle against opportunism in the American labor movement; an appraisal of Daniel De Leon (Book, 1959) [public-docs.talentcoach.ir]**

Includes a folder of news cuttings on mismanagement in Glasgow City Council, news cuttings on state secrecy, and articles and pamphlets written by members of the anarchist movement on topics ranging from feminism and pornography to the Spanish revolution.

**The political legacy of De Leonism (part VI)**

The growth of the communist movement could come about only if the Party understood thoroughly American conditions and the relation of these conditions to the international situation. Includes correspondence with the Scottish Executive, the Crown Office and Procurator Fiscal Service and solicitors.
