Or that the result would include things that I think would even have caused Gould and Frick to pause. Twenty years younger, he was just 28 at the time of their first meeting. For the latter, he favored a pipeline to China, despite the government's preference for a route to the Pacific, which would serve Japan.

A Brief History of the Russian Media (Part 1/2)

In 2004 he bought into struggling Anglo-Dutch steel-maker Corus and waged an aggressive campaign to win a seat on the board, although he eventually backed off and sold his shares. He claimed that Zyuganov presented two faces: one for foreign and one for domestic audiences.

Who are the Russian 'oligarchs' and do they really exist?

The section on Putin is short and effective. It reflected the belief that as a result the countries of the former Soviet and East European area would gradually become more closely linked with both Europe and Asia, while continuing to present distinctive topics for research as a result of their specific experience.

Russian Oligarchs

We escaped the civil war. Those that acted quickly and had friends in high places when communism came to an end did well, as the billions of dollars amassed by the 20 or so Russian oligarchs testified.
