Alexander II

Alexander II freed the serfs and was attempting to move to a constitutional government when he was assassinated. Petersburg or some other great city.

Alexei II of Russia (Alexander the Liberator)

It gave the serfs a more dignified life. However, there were also problems, as certain obsolete institutions were not covered by the reform.

Alexander I

His advisers argued that Russia's serf-based economy could no longer compete with industrialized nations such as Britain and France. . That powerful message shone through the sometimes distracting writing.

Tsar Alexander II

Whilst the war was won, serious failures were discovered at every level of the army from poorly trained companies, to outmoded tactics to dilatory maneuvers, to failures of overall strategy at the top command level.

Alexandra

All of this was fine for Westerners; but Russia, as was the norm, lagged behind other European countries in myriad ways. Colleges were also freed from the rules imposed on them by Alexander's father Nicholas I. After the implementation of these reforms, plots of state peasants were reduced by 10% in the central provinces and 44% — in the northern.
