Socialism in one country?

. His maternal grandfather was Frederick Edward Raven 1837—1903 , founder of the Raven and secretary of the ,.

Labours old and new: The parliamentary right of the British Labour Party 1970

The more extensive ... the industrial reserve army, the greater is official pauperism. With a Commentary by Rita Hinden , Harmondsworth, Penguin, 1960. At the outset, modernisers sought to position British Labour as a European social democratic force.

Post

We can cut working hours, for example.

Marxism and Revisionism : LabourUK

There has been much debate over the nature and the very existence of a relative political consensus from the Second World War to the late 1970s , and in retrospect there indeed seems to have been such a thing — if not a consensus, at least the sense of a relatively stable middle ground of British politics, with both major parties committed to the Western alliance, free trade, broad elements of welfare state, and accommodation of trade unions. This isn't just the 'facts of the bourgeois statisticians not understanding small scale business', it's just true. This commitment has hindered policy discussion, determined the form that the modernisation process has taken and shaped internal conflict and cohesion.

Marxism and Revisionism : LabourUK

. He makes clear the ideological differences between the Conservatives and the Labour Party; the latter openly wanting an equal and egalitarian society, while the former was more reluctant, for example.

Party Games: Realignments and Revisionism

This notion of acts of interpretation used as tactical blows in party infighting is loosely derived from the sociology of political crises offered by Dobry, M. However, what did not change over the period was the dominance of the right over the Parliamentary Party, with the left forming a perennial opposition with the Parliamentary Party.
