## Promoting School Support Throughout Your Community

School support comes from a variety of places both internally and externally.

### School and community

The 8th grade students at my school participate in a year-long advocacy course where students research a social-justice issue they are passionate about and construct a thoughtful response. Step 5: A Design Challenge for the Community Here is an example of a community challenge to reinvent the school experience. Stronger School Reputation Schools that engage families and community members see a statistically significant increase in their reputation; when they focus their efforts on making parents feel comfortable in the school setting.

### Building Community

The ECU Community School opened in the fall of 2017 for grades 2 through 4 and will expand over three years to eventually serve students in grades Pre-K through 5.

### School and community

If your passion lies with helping special education students, Campbellsville University offers a program specifically for you. Research has proven that schools with a greater support system thrive compared to those who do not have such support.

### Building Community

Retrieved from on March 3, 2016. In Lancaster County, the 4-H youth development program is a partnership between Nebraska Extension and the Lancaster County government.
