### The most pressing issues facing our nation...

Proposals to do so often break down along partisan lines, with Democrats backing more direct federal funding, whether financed by debt or higher taxes, and Republicans generally arguing that better results can be achieved at lower cost by encouraging more private sector development.

### 5 Major Issues Facing The United States Today

Our goal should be to not be the most oppressed race in the United States but the most advanced and unified.

### Biggest Issues Facing Us

American citizens and military forces continue to find themselves in areas of increasing political instability.

### Poll: Most people in U.S. overwhelmed by issues facing the nation

Among all the good in the world, and all the progress being made in global issues, there is still much more to be done. Many are reaching the end of their lifespan, and are dangerously overstretched, experts say. The Bible is a book written by men and is not the word of God.
