ジョン・ウィザースプーン

Stanford, The Religious Life of Thomas Jefferson, p. Tait really knows his subject, and through a plethora of quotes from Witherspoon I got to learn something about the only clergyman to sign the Declaration of Independence. He became a minister at , 1745—1758 , where he married.

**John Witherspoon (politik)**

We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**John Witherspoon (February 5, 1723 — January 15, 1794), American clergyman, theologian**

Just as Witherspoon gave voice to the eighteenth-century's hegemonic American political theology, so was he more than anyone else responsible for the importation of Scottish Enlightenment philosophy.

**SNOW OFF THE BEN: THE PIETY OF JOHN WITHERSPOON**

An underlying faith inspired and informed them. I have several research projects that I want to finish. I second Tommy's motion to read 's biography of Haynes,.

**H**

First, he was a genuine Christian. In addition we offer a Ph. It combines a justification for independence with strong statements of God's sovereignty and a powerful evangelistic appeal.
