Thomas,

If you astonish yourself by shopping for, buying and wearing unusual clothes in your dream that you would never normally wear in waking life, then your unconscious may have been suggesting that you have become too set in your ways and outlook, and that it is time to open your mind up to new opinions. Therefore, the positive dreams must be more elusive than the dreams that are products of the conflicts within.

Guide to Life and Literature of the Southwest, by J. Frank Dobie

The structure the spirit is trapped in or resides in harmoniously. To dream of this element means your life will undergo a complete metamorphosis. This percentage was higher if an eight hour period of sleep were used.
