. I had assumed that this guy just wanted to save the driver some effort and walk the short distance to his home although I was clueless as to where he lived. You probably recognize it yourself.

Denmark Maps & Facts

How on earth did a food-based and very corporeal emotion become a social and moral emotion? I have now done several experiments on elevation, and here is what I have learned. Their descriptions imply that under the surface, they were changing their views about humanity in a more optimistic way and triggering higher goals for themselves.
