The Red Bird — Your Site Title

Low flying birds represent a terrestrial condition and further, those who fly high, represent a spiritual yearning. A bright red hood covers their head, neck, and breast, below which their body has a muted shade of yellow.

Journey: Red Bird Mission

Now these Jews were more noble than those in Thessalonica; they received the word with all eagerness, examining the Scriptures daily to see if these things were so. Although the Painted Buntings are secretive birds, they are more commonly seen in the woodlands of the Southeast.

Their back is glossy green, with dark blue and white tail feathers.

What Does It Mean When You See A Red Bird?

If a bird has a vibrantly colored body, its wings might even go unnoticed at times. Thus, they are mostly found on the short trees at the edge of ponds, streams, and lakes.
