**Satoru Kaneda**

Tachibana promises that, if Kiryu is spared, then all three of them will carry out Tachibana's plan to stop Dojima from becoming so powerful that he can control the Clan all by himself. Your great contribution will be much appreciated by others.

## 6 Japanese Yojjukugo You Should Know

While Kashiwagi and his men stay behind to hold back Shibusawa's goons, Nishiki and Kiryu head into the Nikkyo's private yacht docked outside their base, where Shibusawa is searching for Makimura. At Serena, Nishiki and Reina are horrified when Kiryu tells them that he is rejoining the Dojima Family. The two men have a fight, which Majima ultimately wins.

## 6 Japanese Yojjukugo You Should Know

At Dojima's penthouse, Shibusawa presents Makimura to Patriarch Dojima at a meeting where Lao Gui, Kuze and Awano are also in attendance. Soon after his conversation with Sera, Kiryu hears about Dojima Family goons heading for Kazama's office and correctly assumes that Shibusawa is making his move.

**Yo**

Sagawa informs a distraught Majima that now that they know where Makimura is, they'll both go to Tokyo together to kill her. The only problem is that neither Tachibana nor Dojima knows who the owner of the Lot actually is. After a brief investigation, Kiryu confirms that it was Lieutenant Kuze who arranged for the set-up.
