### Tonimoto Kenkichi and the discourse of modern

The Age of Trade: The Manila Galleons and the Dawn of the Global Economy. His literati background can be credited for his approach to mediums not just with the mindset of an amateur, relying mainly on experimentation and auto-didacticism, but with the effect of roughness and dilettantism in his finished early works. Viewings used to be able to be arranged in the past, however, I haven't done this for some time and the Gallery has revised its collection policies over the last few years - so I'm not sure if it is still possible.
