## What Is Globalization?

Slavery Is Everywhere There are tens of millions of people trapped in various forms of slavery throughout the world today.

## Slavery Today « Free the Slaves

Prior to that, Vietnam limited the amount of rice that farmers were able to export abroad. How then could any of us seriously believe that our redemption lay in the reconceptualization of civilization so that we could all view it through the prism of business and economics? Nationalism appeared as a force promoting rather than resisting globalization and its influences since nationalists in both cases saw isolation and lack of international engagement as a bigger threat to their culture, identity, and nationhood than globalization. The Economist found a striking correlation between countries that say globalization is a threat and those that blame enlargement for threatening their jobs.

## Slavery Today « Free the Slaves

This leads to lower earnings for child brides in adulthood since a lack of education prevents them from getting good jobs.

## Rape's long shadow: Dealing with the personal costs of sexual assault

The two are fundamentally opposed to one another and therefore destined for the relationship of resistance and confrontation. But whenever there was a bad day at the office, less money in his account or mine, the storm was just seconds away.

## Survivor stories in 'Milk Blood Heat'

The 1956 invention of , along with increases in ship sizes, were a major part of the reduction in shipping costs.
