If, as these arguments suggest, imprisonment had a positive cost, the next question to ask is how that cost compared with what the British government was willing to pay for other punishments. Potential thieves face an opportunity cost of W for their services; that is why they are willing to become thieves only if their net wage is at least W . His surname was taken from that of the owner of the land on which the Hospital stood.

In June 1780, incited by the Scottish aristocrat, Lord George Gordon, crowds attacked the chapels of the Sardinian and Bavarian embassies, and destroyed the house of the Lord Chief Justice, Lord Mansfield. Plays Almost everyone enjoyed the theater whether it be watching it in the city, travelling companies, or performing in their own home. Marriage was also very closely tied to social class; women were seldom married into lower social rungs.
