## Analysis of No Men Are Foreign by James Kirkup

I also really like his poems about religion. During the 1960s, Piercy was an organizer in political movements like the Students for a Democratic Society SDS and the movement against the war in Vietnam, an engagement which has shaped her work in myriad ways.

## Stand Magazine

Among these were Bayard Taylor and James T. Very accessible, yet somehow more profound than most poetry I've encountered, however fancy the language.

## Mary Szybist

## Collected Poems by John Betjeman

Neither parent had received more than an eighth grade education.

## KUSP's Poetry Show

His father worked in a glass factory, and his mother in a laundry. At Kenyon Mezey also made friends with two older students returning from
