competition could lead to a race to the bottom that would undermine social and consumer protection and put the European social model in jeopardy. Website Star Alliance is the world's largest global.

### ECSA Review Forum: The Lisbon European Council

The European Air Law Association EALA was founded in 1988 on the initiative of professor P. D. Dagoglou in recognition of the fact that after many years air transport policy had become accepted as an indispensable part of the EU integration process. EALA's inaugural conference was held in London in November 1989 and annual conferences have been held since then in European capital cities.

Third, the method itself of the EES is meant to serve as a catalyst for the efficiency of national employment policies in several ways: by establishing external constraints and targets to be reached within a specified timetable a method which had proved successful for setting up the European monetary union ; by aligning such targets on the best performing countries benchmarking ; and by putting employment policies to the test of national comparison, submitting them to the examination of a wide range of EU institutions and subjecting them to public EU recommendations.

### Star Alliance

In essence, the aim is to marry a shift towards a more liberal social policy and employment system-as long advocated by the OECD, for example-with a more traditional European emphasis on social dialogue and solidarity. Others were far more skeptical, observing that regulatory
