If the view I grew up with was right, that Christian congregations started out with some letters and gradually tried to complete their collection of Paul's letters independently from each other, then each editor of the collection would face the problem of arranging the letters. For the most part, their intention was to conserve the tradition, not to change it.

Her second biggest fear was that I'd write a book about it.

**Biblical manuscript**

Emma says the process began with cleaning the pages with a blown latex sponge and brushing away existing residue. This suggests that Romans was written after 1 Corinthians.

### **McGehee Family Generations by John H. Parker (1887**

The self-portraits suggest that Peter continues to see himself as a mystery. Contains info on Allen, Alford, Andrews, Applewhite, Ainsworth, Beard, Boone, Brumfield, Conerly, Holmes, Magee, Newman, Rials, Smith, Tynes, Warren and Ward families.

### **Peter Pan's dark side emerges with release of original manuscript**

The problem is that the majority of the manuscripts are from the 12th, 13th, and 14th centuries. Yet she does not recall ever seeing the cardboard drawings of Peter's characters conversation with Gail van Varseveld, March 19, 2007. The actual number of variants represents a tiny percentage of possible variants among the manuscripts.
