New Europe: Building on the US

Charter 77 and other courageous groups stuck doggedly to the principles of the CSCE Final Act and its humanitarian provisions, thus creating, even at the worst periods of repression by the state, an area of freedom about them. We wish to cooperate with you.

Eurocodes: Building the future

Without such cohesion Europe could well be the victim of these global challenges; together we can help to solve them. To be effective, however, CSCE must serve first and foremost to protect democracy and freedom throughout Europe, and tackle the problems involved in the transition to efficient market economies.

Europe

Also in the relations between nations we see a new spirit of cooperation - a common desire not to be held back by the fears and suspicions that have bedevilled all previous attempts to create a European family of nations. We live in an uncertain world with many risks and instabilities.

Matteo Salvini says Italy and Poland could build new Europe

I have come to Prague today with the same, very simple message that I took to Moscow in July and which I will take to Warsaw next week; for it is a message that is addressed with equal conviction to all our former adversaries who are now our friends and partners.

History of Europe

Yet even such a well-established and resilient institution as NATO cannot shoulder alone the burden of ensuring cooperation, prosperity and peaceful progress across Europe. But it cannot substitute for the Atlantic Alliance.
