Arms industry

Moreover, there are some other motivations for the export of arms such as strategic, economic and political gains. Export data tend to be less volatile as exporters tend to be more technologically advanced and have stable production flows. Posted Monday, May 03, 2010.

Military Budgets and Defense Spending

Though the Cold War between the United States and Russia is over, many argue the arms race is not.

Military expenditure

It does not include nuclear weapons programs from the Department of Energy, or funding for wars such as Iraq and Afghanistan.

Arms industry

Further, such comparisons are only made when the economy is healthy. Travis Sharp, , Center for Arms Control and Non-Proliferation, February 26, 2009 Emphasis added See also the , April 15, 2008 from Travis Sharp for additional details.
