## The 1940s Business and the Economy: Overview

Hitchcock that Congress could dispose of Indian land without gaining the consent of the Indians involved. Before the task force could present its report to the Director, the Congress, at the request of various national charities, adopted permanent legislation for the CFC in the Treasury, Postal Service, and General Government Appropriations Act for FY 1988 P. In 1963, Clark Kerr's work *The Uses of the University* summarized this culmination of government patronage in research and development.

**Science in the Federal Government: A History of Policies and Activities to 1940.** By A. Hunter Dupree. (Cambridge: The Belknap Press of Harvard University Press, 1957. xii + 460 pp. Bibliographic note, references, and index. \$7.50.)

Appointing a Cabinet is a complicated business.

## History of Quarantine

On a second level, it gave rise to a reliance on a prodigious testing industry. There is no doubt that Native Americans suffered enormously at the hands of white Americans, but federal Indian policy was shaped as much by paternalism, however misguided, as by white greed. Yet, these large corporations might abuse their great power.

## Native Americans and the Federal Government

He sent complete set of the materials o the group of the BSCS textbooks for their try out project. When Congress signed the legislation that created the NSF, many of Bush's ideals were removed.
