damaging official silence can be. Communities that had once been kind and welcoming became mistrustful and violent; lynch mobs tortured people.

Ukraine's great famine

Police archives contain multiple descriptions of instances of as well as lawlessness, theft, and lynching. Where had the 4 millions gone to, apart from what should have been the natural increase of at least another 4 million? The Institute's mission is to advance knowledge about Ukraine in the United States through research and teaching in the fields of history, philology, literature, and the social sciences. The 1932-1933 Ukrainian famine had four causes.
