## The 10 Best Websites to Improve Your English Grammar and Writing Skills

Conclusion Parts of speech, Inflection and syntax are basics to learn English at home: when you observe an idea or concept in one section that you are not familiar with, check some other sections to get a more explanation. Make sure you correctly understand the definition of a word by using a dictionary before using it in some important paper or report.

## The Usborne Guide to Better English: Grammar, Spelling and Punctuation by Robyn Gee

The clause makes complete sense and functions as a sentence. In this sentence, Oliver and Roy are the subjects, and the verb went stands as a predicate.

## English Grammar

joke circulated on the Internet December 2003 A thesaurus is like a dictionary except that it groups words within constellations of meaning.
