## Certification Short Course

Must be a member and log in to view Also available through. There is no cost to attend the Short Course. Registrants will receive an emailed link to a Zoom meeting and a copy of the handouts.

## Short Courses

This qualification reflects the role of employees in Local Government who perform tasks involving a broad range of skilled applications including the requirement to evaluate and analyse current practices, develop new criteria and procedures for performing current practices, and provide leadership and guidance to others in the application and planning of these skills. The skills gained may differ from course to course, so enrol with us today, and become a professional in your field. As well as consultancy work, Danny is also an experienced educator and facilitator, having been involved in the preparation and delivery of education and training packages for a variety of State and Local Government agencies and Universities.

## Short Course on Local Planning

In response to requests for additional support on LSPSs, courses on strategic planning and LSPSs were run by the Department across NSW during the first half of 2019. Course registrations What others have said about this course Well presented with experienced faculty staff that were really helpful. Tim is a presenter for the UTS Centre for Local Government Certification Short Course and has also prepared course notes for the AAC Complying Development CPD course.
