GAINESVILLE RIPPER: A SUMMER'S MADNESS, FIVE YOUNG By Mary S. Ryzuk *Excellent*

Kyzuk takes readers behind the scenes of the most sickening killings of this century--crimes so heinous they left a community shaken to its core. Mary Ryzuk's account of the Gainesville Ripper, Danny Rolling, has got to be the absolute worst of all three books written on this case.

Who was the Gainesville Ripper and who were his victims?

Judge Stan Morris has ruled that the prison statements are admissible, and DNA evidence, although facing new attacks for the often astronomical odds cited by its users, has been accepted by Florida juries since 1987. What makes it hardest to cure, of course, is that A it's not precisely an

illness and B nobody wants to be cured of their sexual pleasure.

Your favorite true crime documentary or book? (criminal, job, case)

Truly tragic, and I hope that, if nothing else, readers get to know and remember the victims as extinguished bright young lights on the verge of their creating their own futures.
