**Yet another C.P. Correction: Any not Joan Ufford and her daughter, Sibyl Osbern**

The arbitrary summons by personal writ signalled the start of the decline of feudalism, eventually evolving into summons by public proclamation in the form of. Another piece of land in the northeast of the original rape of Lewes, the hundred of East Grinstead, was given to. The Ashmolean tree confirms a second marriage for Joan, to Sir Henry Inglose, of Inglose, Loddon, which is less than 2 miles from Langley, Norfolk.

**Yet another C.P. Correction: Any not Joan Ufford and her daughter, Sibyl Osbern**

Thus, when Any married Sir Henry Inglose between 1423 and 1427 she took to him two children Sir William Calthorp and Sibylle Bowet.

**Browse subject: Court records**

I presume Any Ufford is likewise found in the ancestry of H. Sussex in the High Middle Ages includes the history of Sussex from the Norman Conquest in 1066 until the death of King John, considered by some to be the last of the Angevin kings of England, in 1216. Margaret, and Great Hautbois, Norfolk, two of which properties are mentioned earlier above.

**Rape of Lewes**

This is indicated by a plea roll published in Genealogist, n.
