These cannon were later described in Arabic chemical and military manuals in the early 1300s.

The British Empire in Africa

The native Africans resisted the expansion of the settlers resulting in many armed conflicts. It was increasingly clear that the Entente Cordiale was aimed at containing the rising military and imperial aspirations of Germany - both in Europe and in Africa! The practical thing I want to ascertain is whether I can get a number of able-bodied men, with their wives and children, who are willing to go, when I present evidence of encouragement and protection.

Slavery and the British transatlantic slave trade

It was also hoped by Conservative politicians that it could be used to tie white settlers to the economic success of their region and work more closely with their black African co-colonists. Why should they leave this country? It would take centuries of scientific endeavour before Europeans would have enough understanding of prevention and treatment of diseases to be able to feel confident enough to stay in the region for extended periods of time.
