## LIBRARY 2.0 DAN DAMPAKNYA DALAM PENGEMBANGAN APLIKASI DAN LAYANAN PERPUSTAKAAN

They highlight that Myspace, Facebook-two widely adopted social networking sites can be used in university libraries for imparting library instruction, reference and outreach. In this new work, Nancy Courtney has assembled some of the most forward-looking thinkers in the library world to describe and explain the next generation of online tools, including blogs and wikis, social networking and tagging technologies, folksonomies, podcasting, and virtual reality libraries. Finally, there is a nice li Fandamtastic! The authors provide background information, describe the technology and or tools, give practical applications on using them, how they use have used them, and give suggestions for you.
