Similar findings are reported by several of the volume's contributors. Spend some time and find the channels that suit you, subscribe and enjoy. From this point, one can also perceive that the teaching of foreign languages was not well developed at schools as long as parents thought of hiring professionals.

**Themes & Workshops**

. This means that social, religious and cultural ties between were close and had a lot in common, therefore had one root in the beginning.

**Themes & Workshops**

Another welcome feature is the placement of references immediately following each paper, instead of in a collective bibliography for the entire volume. Articulatory Techniques for Sociophonetic Research, special issue of the Italian Journal of Linguistics, pp 103 — 148.

**LINGUIST List 12.1872: Auer, Code Switching in Conversation**

In my point of view, linguistics can assist teachers to learn Kazakh, Russian and English languages fast and effectively in terms of phonetics, phonology, morphology, and syntax in order to implement the trilingual education in Kazakhstan as soon as possible. You should also accomplish all the exercises for a better result.

**LINGUIST List 12.1872: Auer, Code Switching in Conversation**

The number of such language families and languages varies. He argues that research based on code-as-equivalent-to-a-distinct-language departs from a false premise. Basingstoke: Palgrave Macmillan, 95 — 119.

## **Different From Oneself and Similar to Others. L2, Imagination and Literature as Intercultural Pedagogic Practices**

If that scenario is unlikely, explicit mention of the circumstances that make it so would strengthen the case presented. For this reason, I decided to depict the nature of introverted students and to give some useful tips for teachers.
