### Telling Tales: Management Gurus' Narratives and the Construction of Managerial Identity

The final set of explanations highlights the importance of the socioeconomic and cultural context within which guru theories emerge and become widely adopted.

### HEAVY TALES

Perspective making and perspective taking in communities of knowing

### Managing Humans: Biting and Humorous Tales of a Software Engineering Manager by Michael Lopp

Huffing up and down the rail car ramps, they loaded sixteen and a half tons in something under fourteen minutes. To achieve that goal, you need to communicate the sometimes complex nature of the changes required and inspire an often skeptical organization to enthusiastically carry them out. Entrepreneurship Theory and Practice, 29 2 , 153—172.

### 8.5 Creating and Maintaining Organizational Culture

It doesn't take away from the game, but would be a nice upgrade. Millions survive without love or home, almost none in silence; the opposite of silence leads quickly to narrative, and the sound of story is the dominant sound of our lives, from the small accounts of our day's events to the vast incommunicable constructs of psychopaths. It is a place full of dysfunctional bright people who are in an incredib Managing Humans is a selection of the best essays from Michael Lopp's web site, Rands in Repose.
