Their only album, *Born in a Barn*, was released in 2010. What do you think of the fashion world? In these extraordinarily intense works, he not only pays homage to Van Gogh but also seems to evoke the spirits of *Everyman* and *Piers Plowman*. Over time, he produced many series of works that delved into his father's wartime experiences, and his mother's family background in Mayo.

## **‘THE FOUR SEASONS’ WORKS FROM THE WATERFORD MUNICIPAL ART COLLECTION**

The works of art in the national collection hang in public offices, government buildings and State homes around the country, as well as Garda stations, civic offices and other State buildings.
