## CCAR

Many felt that, with two departments already involved, a safety board would create administrative confusion. Train your entire team for the cost of one subscription, with pricing conveniently tailored to your group size. Christopher Kuhlman, PhD, CIH recently presented in an AWO The America Waterways Operators webinar, sharing about his ongoing work with maritime employers during this crisis, and featured discussion on vessel decontamination, transmission prevention, and more.

## The Job Safety Law of 1970: Its Passage Was Perilous

Tuesday, September 29, 2020 1:00 — 2:00 pm ET Earn 1 Contact Hour Learn how to turn your local legislators into valuable allies in preventing workplace injuries and fatalities.

## CCAR

The goal is to keep members connected and having those value-added conversations that help to educate, provide solutions, and move the profession forward.

## CME Activities Archive

How do you usually manage those patients? The American Industrial Hygiene Association AIHA and the American College of Occupational and Environmental Medicine ACOEM have joined efforts with the American Hospital Association AHA to urge you to make an of any surplus PPE to help healthcare workers who are on the front lines through the COVID-19 pandemic stay safe and healthy. Smith, Rhoad, Rice, Riser, Robinson, Rodgers, Rutherford, Sandifer, Scott, Seithel, Sharpe, Sheheen, Simrill, Spearman, Stille, Stuart, T. In the future, the industrial hygiene profession will need to look somewhat different than it does today to account for new realities.

## HOUSE JOURNAL for Jan. 20, 1999

Read this new Psychlopedia activity to review the current and future assessment tools you can use to measure negative symptom severity and track treatment response. Unlike local police, the RCMP heritage is one of wilderness and colonial administration, evolved along military lines with strict chains of command.
