This was mitigated by sending generic survey links to the regional Marine Superintendents and the College for dissemination via their contacts with graduates.

Become a fishery officer

Retention of OTP graduates beyond their mandatory service period provides another indicator with respect to long-term outcomes.

Canadian Coast Guard Officer Training Program

More specifically, progress has been made with regards to the implementation of quality assurance, the use of training advisory groups as part of College governance, and upgrades to the technological equipment and simulators.

Specialized recruitment programs

All graduates join Fleet at the entry level for officers, as they do not have the necessary sea time yet to qualify for higher ranks.

Specialized recruitment programs

The approach also focused heavily on risk areas and current information gaps identified during consultations with senior management.
