### G3 Ministries

**Biblical Principles** How can we apply a Christian worldview to social and political issues? The new Progressive Tradition Series from the Center for American Progress traces the development of progressivism as a social and political tradition stretching from the late 19th century reform efforts to the current day.

### In Coronavirus Pandemic, Christianity Has Ancient Lessons

This is true of you personally and also of the church. We must therefore evangelize, respond to immediate human needs, and press for social transformation.

### COVID

Paul said the following: But even if we or an angel from heaven should preach to you a gospel contrary to the one we preached to you, let him be accursed. Today similar examples of transformed lives abound in churches worldwide.

### Moral, Social & Political Issues

We will pray that God unites His people, using them to bring restoration in this broken culture.

### Billy Graham on Social Injustice

Soon they revolted to gain access to material wealth and also freedom for sex outside marriage. Finally, unbelief in God became more complete, parental authority diminished, and ethical and moral principles disappeared, affecting the economy and government. It is time to lament, confess, repent, and turn.

## **God's Guidance for Christians in Conflict**

The offender needs to acknowledge the offense so that there can be reconciliation. May God help us to give real love its rightful place in our lives.
