The request, for home addresses of employees, didn't appear to serve either of those general interests. Criminal Law Criminal law revolves around governmental prosecution of anyone who is purported to have committed a criminal act, as defined by public law. It must be admitted also, that the exercise of such powers, if prudently and carefully guarded, cannot be otherwise than salutary, because the knowledge that it can be exercised by a citizen and taxpayer, and may be exercised when the public good shall seem, on sound reasons, to demand it.

## Legal systems

Strictly speaking cases turned on standing to challenge, not access. As long as we the people remain ignorant of our sovereignty, they can lord over us.
