D Who profits most from this industry? Campbell, Colin John 1999 Doctoral thesis, Durham University. Whereas responses could once be described as collectivist, today they have become more individualised Beck 1992. And in some ways, the more effective the leader, the less the recognition, because it may well be that the most effective leaders teach and lead in such a way as to promote others rather than themselves.

Towards a Classless Society?

Owen, Olwyan Anne 1979 Masters thesis, Durham University.

University of Minnesota Press on JSTOR

Many people testified to an ongoing desire to read well-written, popular history.

History Doyens

Therefore, it was a total culture that moved.
