Library 101: A Handbook for the School Library Media Specialist by Claire Gatrell Stephens

I found this book to be a really good starting point. I have highlighted and checked websites and started jotting ideas to use next year.

Library 101: A Handbook for the School Library Media Specialist by Claire Gatrell Stephens

Current issues in the field are discussed, and sidebars offer perspectives from experts in the field as well as practicing school librarians at all levels. This guide contains 100 books that are organized in 10 categories that librarians and teens alike will find useful. This is a very beginning-level introduction that would be of use to those who do not have the opportunity to intern in a school library or to discuss library media center basics with other librarians in their communities or school districts.
